FANCY A NEW HOBBY?

Radio Warneford is always looking for new volunteers to join the team. Our members visit patients on the wards, create and broadcast programmes and get involved in running the station.

You don't need to have any experience and our only age restriction is that you must be at least 18 years old.

Find out more about being a member and download an application form on our website – www.radiowarneford.com.

Keep up-to-date with our special broadcasts and other changes to our schedules!
Visit our website at www.radiowarneford.com for the latest information.

It's easy to listen to Radio Warneford on your mobile or tablet

Radio Warneford broadcasts programmes for patients, staff and visitors at Warwick and Stratford Hospitals, as well as Ellen Badger in Shipston-on-Stour and the Leamington Spa Rehabilitation Hospital, 24 hours a day on the free NHS Wi-Fi service available throughout most of these NHS sites.

In order to listen to our programmes you need to connect your device to NHS Wi-Fi and then load our player page. The first time you access NHS Wi-Fi, you will have to set up the connection on your device and register for access – after that, your device should connect automatically.

Just follow these easy steps to get connected to Radio Warneford.

Have you logged into NHS Wi-Fi on this device before?

You should be reconnected automatically. Look for the Wi-Fi symbol, usually at the top of your home screen. If you are connected, you should see the **My NHS** home page when you open your web browser. Otherwise continue with the next step and register again.

Set up your connection to the NHS Wi-Fi service.

Go to the Wi-Fi settings on your device and choose **NHS Wi-Fi**. You need to register in order to access the service but remember that NHS Wi-Fi is free to use. Enter your details, agree to the Terms and Conditions and Privacy Policy, then click Sign Up. You can also log in using a social media account.

Open the web browser on your device.

You should be taken to the **My NHS** home page. You are now connected to the internet. *You may receive an email asking you to confirm your email address. You do not need to reply in order to use the NHS Wi-Fi service. You also **do not** need to sign up for an account should you be asked to do so by email.*

You can find our live stream by typing **<https://live.radiowarneford.com>** into your browser. Click the **Play** button to start the stream. You can also access our live broadcast via our website at **www.radiowarneford.com** and click the **Live Stream** button. *Tip: To continue surfing the web while listening to our programmes, open a new browser window.*

To ensure that you are connected to NHS Wi-Fi to access the internet and not using up your own data allowance, turn **Mobile Data** off in your device settings.
